

Find_it

@2022/11/07

题目不难，看看源代码乱找一下，运气很好，找到了

```
/* Oh, you find it! It is here! bWF5Y3RmezBoX3lvM19jYTNfZjFuZF9pN30K */
```

base64解码，得到flag

Base64 编码或解码的结果：

```
mayctf{0h_yo3_ca3_f1nd_i7}
```
